NumPy

Matplotlib

Django

C++

SQL

HTML

CSS3

Databases

MySQL

Development

GIT

Visual Studio

PyCharm

STRENGTHS

Time management

Prioritizes essential tasks so they are not rushed. Sets deadlines that ensure reaching milestones on time.

Adaptability

I break my projects into multiple parts so that if something goes wrong, I can quickly fix it.

Accountability

I take ownership of my mistakes. By doing that I learn what I did wrong so that it does not happen again.
